Welcome to my March 2021 email newsletter. This newsletter has almost 50 fresh new coins including an awesome group of Seated dollars.

Some recent NEWPS since my last newsletter

COVID-19 Update & Market Report

Since my last newsletter last winter, there has been more coin show cancellations as expected. The Midwinter ANA, March and June Baltimore along with the Central States show have all been canceled.

attendance of both dealers and collectors due to COVID-19.

Auctions sales over the last few months have been very strong. With the absence of major shows, most of the activity have been in live auctions and on dealer's websites. The Bob Simpson, Larry Miller and Donald Partrick collections have been auctioned in recent months for very strong prices. Heritage sold the finest known 1787 Brasher Doubloon in NGC MS-65* CAC for over $9 million, a record price for a gold coin!

Stack's Bowers will be selling two very special coins later this month - the Pogue 1822 Half Eagle and 1797 Half Dollar. The 1822 $5 is unique in private hands and last traded in the 1982 Eliasberg Gold sale. The 1797 Half Dollar is graded PCGS MS-66 CAC and is the finest known. In April, Heritage will be selling an incredible group of mint state and proof half cents from the Donald Partrick collection. Just last week Sotheby's announced the June auction of the legendary 1933 Double Eagle, which is unique in private hands. It sold for a record $7.59 million in 2002!

I have been very busy over the last few weeks acquiring some great new coins for the website, including a special offering of Seated Dollars put

Seated Dollar in PCGS AU-50 CAC. If you collect Bust Quarters or early Type, I have in inventory an incredible 1805 Draped Bust Quarter graded PCGS MS-62+ CAC. If you prefer US gold, I am offering one of the finest 1858 S Half Eagles - graded PCGS AU-58+ CAC.

There is a supply shortage of coins in the market. Most dealers that I have been talking to have had trouble with their supply stream. With no major coin shows being held for the foreseeable future, it will be interesting to see how dealers react to this new reality. Auctions are strong and very difficult for dealers to buy out of. My online sales are at record highs, and new inventory sells quickly. I am buying aggressively, and I am taking an online first approach with smaller and more frequent new purchases additions.

Please keep checking my website in the next few weeks because I will be adding new coins frequently. Also, please let me know if you have any coins on your want list that I can help you find - not all of my coins make the website. I have a growing number of collectors who give me want lists so I can help them find that special coin. If you are looking to sell your coins, or are interested in consigning coins to me please contact me.
